SUBJECT: Adjutant Typhoon News Article

Greetings,

I would like to thank all the Districts and Posts for submitting your General Orders to me. I am still missing a few but I was able to accomplish the Department MEMO ONE utilizing Election Reports.

I have received a few corrections for the MEMO ONE and would ask, if you notice needed corrections to the MEMO ONE, please send them to me. My plan is to include any corrections in an updated MEMO ONE around October time period.

The first couple months of this 2018-2019 VFW year have been quite busy around the Department. Please take time to note, advertise, and report what your Districts and Posts are accomplishing.

**Thank you ALL for your continuing support.**
