SUBJECT: Adjutant News Article for November Typhoon

Greetings Comrades

Hope one and all have and/or had a successful and memorable Veterans Day. At times it appears we are being subjected to numerous forms of negativity and we need to take the time to reflect upon the sacrifices of all Veterans.

I wish to remind Post Commanders and Adjutants to please forward to me when you have changes to your General Orders. They are the primary source document to update the Department MEMO ONE.

As we are near to the Department Mid-Term Council of Administration, please remember to hand carry or email any reports you may be responsible to provide.

Wish all a Happy Thanksgiving and to stay safe and enjoy the Holiday Season.

Jerry Chaplin  
Adjutant
