

Report of the Inspector

Comrades,

We are only five weeks away from Mid Term. District Two, Three and Four have not reported in nor replied to my emails for their schedules or completions. District One is done, Five, Six and Seven will be completed by the Mid Term CofA. I have provided the most current listing that I have by District and Post. As you finish your inspections, please forward a copy to me and a copy to the Department Adjutant. I know you all are doing great work out there, but you need to let us know that you are doing it. Thank You.

Yours in Inspectorship,

Bill Bradford Department Inspector
