

From the Junior Vice Commander: OCT Report

Comrades,

All of the Posts should now have received their entries for Voice of Democracy and Patriots Pen. Be very strict on your judging, and please ensure your entry has followed all of the rules of the contest. Also, please make sure your entry, with all of the Post paperwork is complete, with signatures.

The Community Service Reports, for the most part, have been better this month. There are still delinquent in submitting their October entries. You must make three entries a month to qualify for All-State. You can help me in my monthly reports by getting them in at the earliest opportunity. But, better late than never.

When making your entries, please make it clear to me that this is not just a duplicate entry. If two events, of the same day occur, put in something in the narrative that makes it clear it is not a duplicate. That said, if the same activity involves multiple locations on the same day, please make one entry, totaling the hours and miles. Trying to differentiate between multiple, I.E. 20 or more entries, on the same day doing the same thing is very time consuming. You can really help me by consolidating your entries. In the end, it is the hours and number of volunteers that matter the most. Be realistic, and don't just try to beat the system.

I need for each commander to have his Buddy Poppy Chairman send me a report covering July 1st-Nov 30th, so I may utilize the numbers for my report during C of A.

Lastly, I am looking forward to my visit to Korea for Veteran's Day at Camp Humphries. This will be my first visit as your JVC, and it should be a great experience.

Thanks again to you all, and let's all help make this a great year for the Department of Pacific Areas.

Rick Farris
Junior Vice Commander
