

Comrades,

We, the National Council, had a very good meeting last month. I raised the issue of the Veterans Service Grant that Departments receive and how it is computed. The DPA is a little under the average in the amount we get. Though it was not increased during the meeting last month; it is being looked at and something will be presented soon. However, it would not be implemented until next year.

As most of you have heard or know by now, National reinstated some life members into your Post. This was a system that National put into action over 10 years ago. The Post Commander and Quartermasters should have received a list of this members. Please follow the instructions provided. Also, check the rest of your Post roster. There are some Posts that have members that are over 100 years old. No saying that they have passed, just asking for you ensure the roster is up to date.

Contact me if you have any issues that you would like me to take to National for you.

YIC,

Shawn Watson
National Council Member
